Women's Ministry Dinner

Friday, April 22

Location: Youth Building, First Pres Church Lake Jackson, TX

We are excited to invite you to a women's *dinner* meeting at Presbytery in April. We plan to kick off at 5:00, hearing from women's ministry leaders of our hosting church, First Presbyterian Church of Lake Jackson, TX. Next, we will have a time of sharing best practices, to hear about exciting things happening in women's ministry across our presbytery. At 6:00, we will break to pick up our food, then we will have our main speaker, Joy Situka, missionary to Uganda. Her stories and her passion for her work are truly inspiring. We hope you will join us for our first women's dinner fellowship.
