

Gulf South Women's Ministry Dinner

Women's Ministry Dinner

Friday, September 23

Location: New Covenant Evangelical Presbyterian Church in
Mandeville, LA

We are excited to invite you to our next women's ministry dinner meeting at Presbytery in September. We plan to begin at 5:00, with a devotion by Elizabeth Parker, Women's Ministry Director at First Presbyterian Church, Baton Rouge. Next, we will have a time of sharing best practices in women's ministry, before we break for dinner. At 6:00, we will hear from our main speaker, Shannon Basso, via Skype. Shannon is the editor of Becoming, a compilation of inspiring writings from various women, including some from our own denomination. This resource has been aptly called, "theology for the lay-person." Shannon's honest, down-to-earth style will leave you refreshed, inspired, and encouraged. We hope you will join us for our women's dinner fellowship.
